

St. Michael Catholic School

2009 - 2010 Annual Fund Drive Report

July 2010

Dear Friends of St. Michael,

The end of the school's fiscal year provides an opportunity to report on the consolidated results of St. Michael Catholic School's annual events - the Fund Drive, the Gala and Auction and the Golf Tournament.

The success of each of these funding opportunities has been the result of an army of volunteers and committed chairs.

- **Joe and Stephanie Berno** skillfully led the Fund Drive for the past two years. Under their leadership the Fund Drive has evolved and adapted to changes in the economy. As parents, they served the school community with a balanced, thoughtful approach.
- **Andrea Ferruzzo, Carolyn Garofalo and Bessinda Mormino** co-chaired the 2010 Gala and Auction. They worked tirelessly to design the historic evening where we honored past Principal Sr. Denise Ann Clifford, and focused on building for our future.
- **Jim and Peggy Cole and Walter and Christi Beard** again chaired the 2009 Golf Tournament at Wildcat Golf Club. Under their direction the event fostered friendship and competition through a spirited round of golf.

These events raised a net amount of \$452,683. As outlined in my end of the year letter to parents, this enabled us to institute new educational offerings such as the TAKScopes science program and the Rosetta Stone Spanish Software. We have also been able to expand our fine arts program with more art offerings and have been able to revamp the middle school program with a graded elective program. We are also able to continue programs which evolved from past years donations such as the Writers in the Schools Program (WITS). In addition, resources enable us to keep the school's physical plant up to code until the much anticipated new school is built.

As a donor, we thank you most sincerely for your loyal support during the 2009-2010 campaigns. Your dedication to the mission of St. Michael Catholic School, focusing on human dignity and the uniqueness of every person as a valued gift from God, enables us to present to our students an education built on spiritual growth and academic excellence. Yours is a gift that impacts lives; we are truly grateful for your involvement in the life of St. Michael.

On behalf of the entire faculty, we wish you restful summer days and look forward to sharing our exciting plans for the next school year with you in August.

Sincerely,

Christina M. Skowronek
Principal

Dear Supporters of St. Michael Catholic School,

We are sincerely grateful for your participation in the St. Michael Catholic School 2009-2010 Annual Fund Drive. Direct benefits from fund drive contributions were felt daily by students, faculty and staff. Numerous programs, classroom resources and technology were made possible by your generous donations.

The school administration continues to work towards the goal of making St. Michael the best school in the Archdiocese. The recipe for this success calls for many ingredients, foremost of which is capital to reach this admirable goal. It is only with your financial support that our success is possible.

With the current economic climate, it is comforting to know two certainties always remain true. First, a complete faith in God enables each of us to do our best even on the difficult days. Second, once obtained, a solid education is a lasting gift we give our children. Thank you for your part in confirming these certainties with your generous support to the Annual Fund Drive.

Sincerely,

Stephanie & Joe Berno
Fund Drive Co-Chairs
