

finaleafterschool

2010-2011

Dear Parents,

Kidventure is proud to once again partner with St. Michael Catholic School to provide the Finale After School Program. This extraordinary program offers time for homework, arts & crafts, science, indoor/outdoor group games and a daily snack. Finale is offered when St. Michael has a *full* day of school from 3:15 pm to 6:00 pm.

We believe this program is important because many parent(s) work until 5:00 pm and we recognize the gap between school and when a parent can pick their child(ren) up from school. We want to provide a program that is safe, fun and engaging for your child(ren) during this time.

It is very important for you as a family to evaluate if the need could ever arise that you are unable to pick your child(ren) up during carpool. Finale is a state licensed program which requires any child(ren) who participates in the program to have a completed registration form on file. If you are unable to pick up your child before carpool ends and we DO NOT have a completed registration form on file for your child(ren) they will be unable to participate in the program.

Enclosed you will find valuable pieces of information pertaining to the Finale After School Program (i.e. billing, cost, and the Finale After School Program Registration Form.) Please review this information and return ALL necessary paperwork to St. Michael Catholic School prior to August 2, 2010.

Necessary paperwork to return prior to August 2, 2010 is listed below:

- Finale After School Registration Form

St. Michael Catholic School (1833 Sage Road Houston, TX 77056) will be in charge of all billing which includes monthly statements. If you have specific questions about your bill or amount due, please contact the school for further assistance.

If we can answer specific questions about the Finale After School Program please contact our Kidventure office at 713-960-8989. Again, if you have billing questions or concerns please contact the school office.

Sincerely,

Rachel Plympton
Finale After School Program Coordinator
